Big Bridge Project

As part of the building of the new walkway bridge linking the Bay Road to the Riverside Walk, our KS2 classes had a fabulous time learning about different types of bridges and how they are constructed. They worked well as a team constructing a cable-stayed bridge which they then tested. Many thanks to Rebecca, Joshua, Enda and Mark from F.P. McCann and Design ID for a great experience.

Christmas Rickety Wheel

We are having our Christmas Rickety wheel on Wednesday 6th December.

We are currently looking for donations for this great fundraising event.

Entrance Tickets for the Rickety Wheel will go on sale on Monday 27th November and will be sold on a first come basis. All donations can be left at the office.

Thank you in advance for your generosity.
