Primary 1 Applications for September 2021

Admission to Primary 1 in September 2021 opens soon for children who were born between 2nd July 2016 and 1st July 2017.

The Education Authority's online portal for applying for a Primary 1 place in St. Patrick's Primary School opens on 7th January 2021. We will post links to the portal and more information as soon as it becomes available.

Unfortunately, due to Covid-19 we are unable to do our usual Open Day this year. Look out for St. Patrick's Virtual Open Day in the new term which will give prospective parents a glimpse of life at our amazing school.

In the meantime, we wish our school community a Happy Christmas with best wishes for the New Year.

Mr Devlin
