Nurture Room

At the end of last year the school secured funding from the EA for a Nurture Class to be allocated to the school. A nurture group is a safe haven within the school for children who find a school day too long, too hard, too confusing, too difficult and too much. It provides a bridge between home and school.

We are currently getting modifications to one of our classrooms and we are hoping that the room will be ready for use at the end of the month. You can find out more about this on our school website under the classes page.
